and
Locked-Doors
Secrets of the
Jazz '20s

annual
gala
March 5, 2021

WELCOME TO MAINE PRESERVATION'S 10TH ANNUAL GALA!

Maine Preservation is Maine's only statewide non-profit historic preservation organization.

Our mission is to promote and preserve historic places, buildings, downtowns and neighborhoods, strengthening the cultural and economic vitality of Maine communities.

We reach hundreds of Mainers on more than 200 projects every year through direct help, subgrants and advocacy for historic places. Your support makes this possible.

To honor the many contributions of our long-term trustee and past president, we annually raise funding for the Patricia Anderson Summer Fellows Program at the Gala. Patt was a noted author, art historian, teacher and tireless advocate for historic preservation.

Help us raise \$10,000 in Patt's honor for our Summer Fellows program, dedicated to the professional education of the next generation of historic preservationists. There is a labor shortage in the building trades and we place our fellows (many of whom are gals) with Bagala Windows, The Heritage Company Coppersmiths and Preservation Timber Framing, to learn hands-on preservation for five weeks, and they also work with our staff team to learn about nonprofit preservation practice for four weeks.

We hope you will generously participate by using the chat function and then pressing Public Chat and typing in the amount of your bid.

We envision a Maine where vibrant communities value and sustain their historic character. We are grateful that you share that vision.

Thank you again, enjoy the evening - and don't forget our auction - bid high and often!

Greg Paxton
Executive Director
