

MAINE'S HARVEST & BOUNTY:

Celebrate the Season
with Historic Barns,
Orchards, and
Indigenous Settlements

WELCOME TO MAINE

PRESERVATION'S 11TH ANNUAL GALA!

Thank you for supporting Maine's only statewide non-profit historic preservation organization.

Our mission is to promote and preserve historic places, buildings, downtowns and neighborhoods, strengthening the cultural and economic vitality of Maine communities. Each year, we reach hundreds of Mainers through technical assistance, financial support, education, and advocacy for historic places on more than 200 projects. Your support makes this possible.

To honor the many contributions of our long-term trustee and past president, we annually raise funding for the Patricia Anderson Summer Fellows Program at the Gala. Patt was a noted author, art historian, teacher, and tireless advocate for historic preservation.

Please help us raise \$10,000 in Patt's honor for our Summer Fellows program, dedicated to the professional education of the next generation of historic preservation professionals. In addition to time spent working with Maine Preservation staff, we place our fellows with preservation trades partners (Bagala Window Works, The Heritage Company Coppersmiths, and Preservation Timber Framing) for a truly hands-on experience.

We hope you will generously participate by using the chat function to send your pledge to Gina Lamarche, Development Director.

We envision a Maine where vibrant communities value and sustain their historic character, and we are ever grateful that you share that goal.

Thank you again and please enjoy the evening! And don't forget our online auction--bid high and often!
